If Lightcast is Approved

1. If approved, recruit a Director of this ministry to participate in directing the lay ministry volunteers
2. Ask this chosen Ministry Director to read the Lightcast Guides for simple direction and task implementation. This person will help train his/her leaders below.
3. Leaders can be operators, caregivers or visitors or oversee these individuals below.
4. The key is making sure the home-bounds are using the services and the church is dialing in correctly.
