Lightcast Virtual Church

1 Sanctuary/Church port up to 65 minutes

5 Home-bounds' ports up to 65 minutes

6 total dial in ports (you will see below these are \$4.95 each, if you need 90 minutes it will be \$6.95 each, or our 30 Minute service for \$2.95 each)

Budget and Planning Proposal of Costs:

6 dial in reserved ports up to **65** minutes per Sunday x \$4.95 = **\$29.70** per weekend service (Reserved ports can not be used by any other church except for yours, due to this reservation, it has to be charged whether used or not). Any shipping costs, state or federal excise tax may be applied.

Equipment (one time costs):

Promotions on equipment and installations are with 12 month agreements.

5 Home-Receiver Kits x \$ 19.99 ea. = **\$99.95** one time (was \$49.99 ea. on quarterly agreement) these units may also be used for classroom services also

1 One-Way Church Interface Kit = **\$ 189.99**

We send the equipment to your church and walk your sound person through connecting it. You will need a phone line at the sound system to run the services.

Grand Total (before any taxes or shipping):

Total Reserved Port Services = **\$29.70** per weekend service (billed 13 weeks in advance)

Home Receivers + One-way Equipment + Installation + Programming = **\$289.94**

SECOND OPTION:

NO EQUIPMENT UPFRONT COSTs - 12 Month Rental Services (Low cost Alternative) Sample quote for 5 Home-bounds:

We do offer 25 cent per week rental for each Home Receiver Kit (5 Kits = \$1.25 per week) plus \$3.00 a week for all church equipment. Available on a 12 month agreement. Total \$4.25 a week for rental for 5 Home-bounds plus all the church equipment.

Example 5 Home-Bound Port fees (65 minutes) with Rental on all necessary equipment:

5 Home ports + 1 church port = 6 ports X \$4.95 per week per port (65 minutes ports) = \$29.70 + \$4.25 rental = **\$33.95 per week.**
